The City

LAWNDALE, THE HEART OF THE SOUTH BAY!

Lawndale is centrally located in the Centinela Valley of Los Angeles County, approximately fifteen miles southwest of downtown Los Angeles and five miles east of the Pacific Ocean. Lawndale is an urbanized area of predominantly single-family homes, encompassing 1.9 square miles. The City enjoys a moderate climate with a yearly average temperature of approximately 68 degrees. The population is approximately 35,000.

The City of Lawndale was incorporated on December 28, 1959, as a general law city. The City has a council-manager form of government with an elected Mayor and four Councilmembers and a full-time appointed City Manager. The City is a contract city with police and fire services provided by Los Angeles County. There are about 60 full and part-time customer-oriented City staff to provide remaining City services. To learn more about the Heart of the South Bay, visit the City’s website at: www.lawndalecity.org.

The Department

The Lawndale Public Works Department is responsible for the design, construction, operation, and maintenance of City streets, sidewalks, facilities and parks. Its profession design, construction, operation, and maintenance of City streets, solid waste and recycling, storm drain maintenance, Administration Engineering, Street Maintenance, and Grounds Maintenance. The contract services include: street sweeping, solid waste and recycling, storm drain maintenance, flood control, sewer maintenance, and tree and landscape maintenance.

The Position

Appointed by the City Manager, the Director of Public Works/ City Engineer, supervises, plans, organizes, directs and administers the activities and operations of the City’s Public Works Department. The position has full responsibility for providing direction and oversight for the department’s key operational areas, which includes: engineering; street, building and landscape maintenance and contract administration.

The position may serve as the City Engineer and administer the City's public works engineering program; develop and monitor the department’s work plans; assign work activities, projects and programs; monitor work flow; review and evaluate work products, methods and procedures; provide administrative assistance to the City Manager; oversee and monitor the department’s budget and directs the forecast of additional funds needed for staffing, equipment, materials and supplies; monitor and approve expenditures; implement mid-year adjustments; oversee public works capital projects, design and construction, quality control and budget administration; select, train and evaluate personnel; represent the City in outside community and professional groups and committees; negotiate, execute and administer a variety of contracts and agreements; review and interpret government regulations and requirements; research and prepare technical and administrative reports and studies; prepare written correspondence; and perform other duties as assigned.

The Ideal Candidate

The City of Lawndale is seeking a dynamic leader with strong management, organization and communication skills with a proven track record of effectively overseeing capital improvement projects and public works operations. The City is seeking a customer service driven professional with integrity, innovation, and dedicated to achieving specific strategic plan objectives to improve the overall performance and effectiveness of the organization, while providing exemplary municipal services to City residents, businesses, and visitors.

The ideal candidate must possess a bachelor’s degree from an accredited college or university with a major course work in civil engineering or related field. Six (6) consecutive years of increasingly responsible experience managing diverse public works operations, including two (2) years supervising, managing and/or directing a division or department. An equivalent combination of education and experience that demonstrates possession of the requisite knowledge, skills and abilities is qualifying. Possession of a Class C Driver’s License in the state of California is required. A valid registration as a Professional Engineer and Land Surveyor and a master’s degree are highly desirable.

Successful candidates must have knowledge of the principles and practices of civil engineering as applied to municipal public works; applicable Federal, State and local laws, regulations, ordinances and policies; principles and practices of construction and maintenance, civil and traffic engineering; ability to direct and control the operation of a department and its budget; analyze, develop and implement department policies and procedures; prepare clear and concise written reports, spreadsheets, correspondence and make presentations; negotiate and manage professional consulting service contracts; identify and respond to the public, City Council, City Manager, Traffic Committee and Planning Commission issues and concerns. On a continuous basis sit at desk; frequent use of hands and fingers; speak and hear; intermittently twist to reach equipment surrounding desk; walk and stand; bend, squat, stoop, kneel, push, pull, and lift 25 pounds occasionally; subject to frequent interruptions and public contact; work flexible schedule, days and evenings, to accommodate meetings and deadlines.

Selection Procedures

Applications are being accepted immediately and subject to close without notice. Please submit an official City Employment Application, cover letter and resume to the City of Lawndale’s Administrative Services/ Personnel Department. All official City applications materials will be screened and only the most qualified applicants, as reflected by their application materials, will be invited to participate in the selection process. Resumes are accepted but NOT in lieu of an official City Employment Application. Incomplete, late or illegible applications will be disqualified and will not be accepted.

Candidates that require special accommodations due to a disability are encouraged to request accommodations prior to the closing date. City of Lawndale applications may be obtained from the City’s website at www.lawndalecity.org or by contacting the City of Lawndale at (310) 973-3200. EOE
