

IF YOUR BUSINESS WAS IMPACTED BY COVID-19, YOU MAY QUALIFY FOR A WASTEWATER FEE REBATE

Your business may qualify for a rebate if it closed or had reduced wastewater discharges due to COVID-19. This program provides a partial rebate of the fiscal year 2019-20 Sanitation District service charge payment made on your property tax bill. Please contact us at rebate@lacsdsd.org to see if you qualify.

We also have a Low-Water Rebate Program open to all Sanitation District ratepayers that generate below average amounts of wastewater.
